Dear Ray of Hope,

On behalf of the staff and the residents of Hope House, I would like to thank you for your wonderful and generous monetary donation for our families. Thank you for thinking of our residents. Donations support our efforts to provide shelter, meals, clothing and supportive services to many women and children seeking our assistance and are essential to our daily operations of the shelter.

Hope House is one of seven programs addressing homelessness operated by Catholic Charities in Jersey City and Newark. Please feel free to call us at 201-420-1070 if you would like additional information. Again thank you for thinking of us.

Sincerely,

  
Lillybeth Ramirez  
Program Coordinator
