Dear Ray of Hope Foundation Inc.,

Thank you for your recent gift of \$100.00 on 1/11/2017 in support of the Fellowship of Catholic University Students in honor of Brule Meghan. FOCUS Missions are a voice of Christ to developing communities around the world. We thank God for your generosity every step of the way in helping students serve those whom Christ calls us all to serve.

It is no mistake that Christ himself was born into poverty, and it is no coincidence that we have a profound encounter with Him when we serve the poor. College students who participate in mission trips learn to be more Christ-like in how they serve and love others while sharing the glory of His life.

Nicholas, a student from the United States Naval Academy, shared his recent experience serving the dying and destitute in Mexico City:

"Before the mission trip, I only spent time praying to God and asking him for help and guidance. After being in the heart of Mexico City for a week...the mission work we did only opened my heart up more to Christ and truly showed me that Christ lives inside of everyone and we are called to love others as if we are loving Jesus." —Nicholas Loberg, US Naval Academy

Through your support for FOCUS Missions, you have made stories like Nicholas's possible. Please keep FOCUS Missions and those whom we serve in your prayers. May God bless you!

In Christ,

Jeff Runyan
Director of FOCUS Missions
