Dear Ms. Saltarelli,

The St. Vincent de Paul Society would like to thank your foundation for the generous donation of toys during the holidays through one of our members, Tracy Tomaino.

It is difficult to observe many families having to do without when the rest of us have so much – and especially at Christmas.

Our society is fortunate to have organizations such as yours to help us continue our mission.

May God bless you, your members and your families. May 2017 be a happy and healthy year for all.
